**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY,  
AND DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF  
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

---

Kal Freight Inc. and certain of its affiliates, as debtors and debtors in possession in the above-captioned chapter 11 cases (the “Debtors”), have filed their respective Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “Statements”) in the United States Bankruptcy Court for the Southern District of Texas, Houston Division (the “Bankruptcy Court”). The Debtors, with the assistance of their Chief Restructuring Officer, Bradley D. Sharp (the “CRO”), prepared the Schedules and Statements in accordance with section 521 of chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”), Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Rule 1007-1 of the Local Bankruptcy Rules for the Southern District of Texas (the “Local Rules”).

Mr. Sharp has signed each set of Schedules and Statements, solely in his capacity as the Debtors’ CRO and not in any other capacity. In reviewing and signing the Schedules and Statements, the CRO has necessarily relied upon the efforts, statements, and representations of the Debtors’ personnel and professionals. Given the scale and complexity of the Debtors’ businesses that are covered by the Schedules and Statements, the CRO has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

In preparing the Schedules and Statements, the Debtors and their professionals relied on financial data derived from the Debtors’ books and records that was available at the time of such preparation. Although the Debtors have made commercially reasonable efforts to ensure the accuracy and completeness of the Schedules and Statements, subsequent information or discovery may result in material changes to the Schedules and Statements. As a result, errors or omissions may exist. For the avoidance of doubt, the Debtors hereby reserve their rights to amend and supplement the Schedules and Statements as may be necessary or appropriate.

<sup>1</sup> The Debtors in these Chapter 11 Cases, along with the last four digits of each Debtor’s federal tax identification numbers, are: KAL Freight Inc. (0249); KAL Aviation LLC (2600); KAL Partz Inc. (0139); KAL Trailers & Leasing Inc. (0840); and KVL Tires Inc. (0320). The location of the Debtors’ service address in these Chapter 11 cases is 10156 Live Oak Ave., Fontana, CA 92335.

The Debtors and their CRO, agents, attorneys, and other professionals do not guarantee or warrant the accuracy or completeness of the data that is provided herein, and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While commercially reasonable efforts have been made to provide accurate and complete information herein, errors or omissions may exist. As such, no party should rely on the completeness or accuracy of the Schedules and Statements. The Debtors, the CRO, and each of their agents, attorneys, and other professionals expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or re-categorized, except as may be required by applicable law. In no event shall the Debtors or their officers, employees, agents, or professionals be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their officers, employees, agents, attorneys, or their professionals are advised of the possibility of such damages.

### **Global Notes and Overview of Methodology**

1. **Description of Cases.** On December 5, 2024, (the “Petition Date”), each Debtor filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code with the Bankruptcy Court. The Debtors are operating their businesses and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On December 6, 2024, an order was entered directing procedural consolidation and joint administration of these chapter 11 cases [Docket No. 28]. Notwithstanding the joint administration of the Debtors’ cases for procedural purposes, each Debtor has filed its own Schedules and Statements. The information provided herein, except as otherwise noted, is reported as of the Petition Date.
2. **Global Notes Control.** These Global Notes pertain to and comprise an integral part of each of the Debtors’ Schedules and Statements and should be referenced in connection with any review thereof. As such, the information contained in the Schedules and Statements is expressly subject to the terms of these Global Notes. If the Schedules and Statements conflict with these Global Notes, these Global Notes shall control.
3. **Reservations and Limitations.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements based upon the information available in the Debtors’ books and records; however, as noted above, errors or omissions may exist. The Debtors reserve all rights to amend and supplement the Schedules and Statements as may be necessary or appropriate. Nothing contained in the Schedules and Statements constitutes a waiver of any of the Debtors’ rights or an admission of any kind with respect to these chapter 11 cases, including, but not limited to, any rights or claims of the Debtors against any third party or issues involving substantive consolidation, equitable subordination, or defenses or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable bankruptcy or non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere

in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph or elsewhere.

- a. **No Admission.** Nothing contained in the Schedules and Statements is intended or should be construed as an admission or stipulation of the validity of any claim against the Debtors, any assertion made therein or herein, or a waiver of the Debtors' rights to dispute any claim or assert any cause of action or defense against any party.
- b. **Recharacterization.** Notwithstanding that the Debtors have made reasonable efforts to correctly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors nonetheless may have improperly characterized, classified, categorized, or designated certain items. The Debtors thus reserve all rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as is necessary and appropriate.
- c. **Classifications.** Listing (i) a claim on Schedule D as "secured," (ii) a claim on Schedule E/F as "priority" or "unsecured," or (iii) a contract or lease on Schedule G as "executory" or "unexpired" does not constitute an admission by the Debtors of the legal rights of the claimant or contract counterparty, or a waiver of the Debtors' rights to recharacterize or reclassify such claim or contract.
- d. **Claims Description.** Any failure to designate a claim on a given Debtor's Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent," or "unliquidated." The Debtors reserve all rights to dispute, or assert offsets or defenses to, any claim reflected on their respective Schedules and Statements on any grounds, including, without limitation, liability or classification, or to otherwise subsequently designate such claims as "disputed," "contingent," or "unliquidated" or object to the extent, validity, enforceability, priority, or avoidability of any claim. Moreover, listing a claim does not constitute an admission of liability by the Debtor against which the claim is listed or by any of the Debtors. The Debtors reserve all rights to amend their Schedules and Statements as necessary and appropriate, including, but not limited to, with respect to claim description and designation.
- e. **Estimates and Assumptions.** In certain instances, the preparation of the Schedules and Statements required the Debtors to make reasonable estimates and assumptions with respect to the reported amounts of assets and liabilities, the amount of contingent assets and contingent liabilities on the date of the Schedules and Statements, and the reported amounts of revenues and expenses during the applicable reporting periods. Actual results could differ from such estimates.
- f. **Intellectual Property Rights.** Exclusion of certain intellectual property should not be construed to be an admission that such intellectual property rights have been

abandoned, have been terminated or otherwise expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property should not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction.

- g. **Insiders.** The listing of a party as an insider for purposes of the Schedules and Statements is not intended to be, nor should it be, construed as an admission of any fact, right, claim, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Information regarding the individuals listed as insiders in the Schedules and Statements has been included for informational purposes only and such information may not be used for the purposes of determining control of the Debtors, the extent to which any individual exercised management responsibilities or functions, corporate decision-making authority over the Debtors, or whether such individual could successfully argue that he or she is not an insider under applicable law, including the Bankruptcy Code and federal securities laws, or with respect to any theories of liability or any other purpose. The fact that any individual or entity may not be identified as an insider in the Schedules and Statements should not be construed as an admission that the individual or entity is not an insider, and the Debtors and their estates reserve all rights with respect to the designation of any individual or entity as an insider at a later date.

In the circumstance where the Schedules and Statements require information regarding “insiders,” the Debtors have included information with respect to the individuals who the Debtors believe are included in the definition of “insider” in section 101(31) of the Bankruptcy Code during the relevant time periods.

#### 4. **Methodology.**

- a. **Basis of Presentation.** The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), nor are they intended to be fully reconciled to the financial statements of each Debtor. The Schedules and Statements contain unaudited information that is subject to further review and potential adjustment. The Schedules and Statements reflect the Debtors’ reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis as of the Petition Date and as reflected in the Debtors’ books and records, except as noted on the applicable Schedules/Statements or herein.
- b. **Duplication.** Certain of the Debtors’ assets, liabilities, and prepetition payments may properly be disclosed in response to multiple parts of the Statements and Schedules. To the extent these disclosures would be duplicative, the Debtors have determined to only list such assets, liabilities and prepetition payments once.

- c. **Net Book Value.** Current market valuations for individual items of property and other assets are neither maintained by, nor readily available to, the Debtors. Accordingly, unless otherwise indicated, the Debtors' Schedules and Statements reflect the acquisition cost of the Debtors' property and other assets. Depreciation schedules for assets are maintained by the debtor's tax accountants in the ordinary course of their business. Market values may vary materially from values included in the Schedules and Statements. It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtors to obtain the current market values of all their property. Accordingly, the Debtors have indicated in the Schedules and Statements that the values of certain assets and liabilities are undetermined. Amounts ultimately realized may vary materially from value ascribed to an asset or other property. Accordingly, the Debtors reserve all rights to amend, supplement, or adjust the asset values set forth herein.
- d. **Property and Equipment.** The Debtors may lease furniture, fixtures, and equipment from certain third-party lessors. To the extent possible, any such leases are listed in the Schedules and Statements. Nothing in the Schedules and Statements is, or should be construed as, an admission as to the determination of the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect thereto.

Certain property of one Debtor may be listed on the Schedules and Statements of one or more other Debtors, and the Debtors make no representations or warranties concerning title to personal property and equipment as between and among the Debtors.

- e. **Allocation of Liabilities.** The Debtors allocated liabilities between the prepetition and post-petition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and post-petition periods may change.
- f. **Undetermined Amounts.** The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount.
- g. **Unliquidated Amounts.** Amounts that cannot be quantified by the Debtors are scheduled as "unliquidated" or "unknown."
- h. **Totals.** All totals that are included in the Schedules and Statements represent totals of all known and ascertainable amounts reflected in the Debtors' books and records. To the extent there are unknown or undetermined amounts, the actual total may be materially different than the listed total.
- i. **Intercompany Claims.** Receivables and payables among the Debtors and among the Debtors and their non-Debtor affiliates are reported on Schedule A/B and Schedule E/F, respectively, per the Debtors' books and records. The listing of any amounts with respect to such receivables and payables is not, and should not be

construed as, an admission of the characterization of such balances as debt, equity, or otherwise. These claims are subject to reconciliation and the amounts listed may be materially misstated and subject to material adjustment upon the conclusion of a reconciliation.

- j. **Guarantees and Other Secondary Liability Claims.** The Debtors have exercised reasonable efforts to locate and identify guarantees in their executory contracts, unexpired leases, secured financings, and other such agreements. Where guarantees have been identified, they have been included in the relevant Schedule for the affected Debtor or Debtors. The Debtors may have inadvertently omitted guarantees embedded in their contractual agreements and may identify additional guarantees as they continue their review of their books and records and contractual agreements. In the ordinary course of the Debtors' business and lending relationships, parties have required certain subsidiary Debtors' obligations to be guaranteed by certain Debtors and/or certain current or former officers, directors, and other insiders. Due to the high number of such obligations, they are not listed individually here. The Debtors reserve their rights to amend the Schedules and Statements if additional guarantees are identified.
- k. **Excluded Assets and Liabilities.** The Debtors have excluded the following categories of assets and liabilities from the Schedules and Statements: certain deferred rent charges and certain accrued liabilities including, but not limited to, those liabilities addressed in the First Day Orders.<sup>2</sup> To the extent the Debtors paid any amounts pursuant to the First Day Orders, the associated claims are not listed in the Debtors' Schedules. Other immaterial assets and liabilities may also have been excluded.
- l. **Liens.** The inventories, property, and equipment listed in the Schedules and Statements are presented without consideration of any liens.
- m. **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.
- n. **Setoffs.** The Debtors incur setoffs and net payments in the ordinary course of business. Such setoffs and nettings may occur due to a variety of transactions or disputes including, but not limited to, intercompany transactions, counterparty settlements, deposits received from customers, and amounts due from customers

---

<sup>2</sup> As used herein, "First Day Orders" refers to (a) *Order Authorizing the Debtors to (I) Pay and/or Honor Prepetition Wages, Salaries, Employee Benefits, and Other Compensation; (ii) Remit Withholding Obligations and Deductions; (iii) Maintain Employee Compensation and Benefits Programs and Pay Related Administrative Obligations and (iv) Have Applicable Banks and Other Financial Institutions Receive, Process, Honor, and Pay Certain Checks Presented for Payment and Honor Certain Fund Transfer Requests* [Docket No. 60] (the "Wages Order"); (b) *Order (I) Authorizing the Payment of Certain Taxes and Fees and (II) Granting Related Relief* [Docket No. 110] (the "Taxes Order"); and (c) *Final Order (i) Authorizing the Debtors to (a) Continue Insurance Coverage Entered into Prepetition and Satisfy Prepetition Obligations Related Thereto, (b) Honor and Renew the Premium Financing Agreements Entered into Prepetition and Satisfy Obligations Related Thereto, and (c) Renew, Amend, Supplement, Extend, or Purchase Insurance Policies; (ii) Approving Continuation of the Surety Bond Program; (iii) Assuming the Collateral Agreement; and (iv) Granting Related Relief* [Docket No. 227].

that may also be vendors. These normal, ordinary course setoffs and nettings are due to the nature of the Debtors' operational relationships. Such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for, and as such, are or may be excluded from the Debtors' Schedules and Statements. In addition, some amounts listed in the Schedules and Statements may have been affected by setoffs or nettings by third parties of which the Debtors are not yet aware. The Debtors reserve all rights to challenge any setoff and/or recoupment rights that may be asserted.

5. **Specific Schedules Disclosures.**

- a. **Schedule A/B, Parts 1 and 2 - Cash and Cash Equivalents; Deposits and Prepayments.** Details with respect to the Debtors' cash management system and bank accounts are provided in the *Debtors' Emergency Motion for Entry of Interim and Final Orders (I) Authorizing Maintenance of Existing Bank Accounts; (II) Authorizing Continuance of Existing Cash Management System; (III) Granting Limited Waiver of Section 345(b) Deposit Requirements; (IV) Authorizing Continued Performance of Intercompany Transfers and Funding; and (V) Granting Related Relief* [Docket No. 9] (the "Cash Management Motion") and any orders of the Bankruptcy Court granting the Cash Management Motion. *See* Docket Nos. 53; 367. As described therein, the Debtors utilize a centralized cash management system.

Additionally, the Bankruptcy Court, pursuant to the *Order (I) Approving the Proposed Adequate Assurance Deposit for Future Utility Services, (II) Prohibiting Utility Providers from Altering, Refusing, or Discontinuing Services, (III) Approving the Proposed Adequate Assurance Procedures for Resolving Adequate Assurance Requests, and (IV) Granting Related Relief* [Docket No. 112], has authorized the Debtors to provide adequate assurance of payment for future utility services. Such deposits are not listed on Schedule A/B, Part 2, which has been prepared as of the Petition Date.

With the exception of the Chase Account, all scheduled cash balances have been reconciled and include the cost of issued but uncleared checks.

- b. **Schedule A/B, Part 4 - Investments; Non-Publicly Traded Stock and Interests in Incorporated and Unincorporated Businesses, including any Interest in an LLC, Partnership, or Joint Venture.** Ownership interests in subsidiaries have been listed in Schedule A/B, Part 4, but have not been valued. Debtor subsidiaries may hold material real estate or other assets the value of which is not reflected in the Schedules.
- c. **Schedule A/B, Part 5 - Inventory.** All inventory is generally as of August 2024, and no representations have or can be made as to the accuracy of the disclosed inventory. Inventory is maintained at average cost.

- d. **Schedule A/B, Part 7 - Office Furniture, Fixtures, and Equipment; and Collectibles; Part 8 – Fixed Asset Listing.** Prepetition, the Debtors retained an external tax professional who in certain instances tracked fixed assets and depreciation in a fixed asset system external to the Debtors' accounting system. Generally, fixed asset descriptions may include very broad descriptions (e.g., "Computer Hardware"), a vendor name in lieu of an asset description, may have multiple line items associated with a single asset if multiple general ledger transactions occurred for a single asset, or may combine multiple assets into one line item on the schedules. Assets have been categorized based on the Debtors' general ledger asset classifications and categorizations included in the company's reconciliations of the fixed asset accounts. Dollar amounts are presented net of accumulated depreciation and other adjustments if the information was readily available otherwise, acquisition/book values were reported.

All VIN and serial numbers listed on Schedule A/B, Parts 47 and 50 have been redacted to present only the last six digits for confidentiality reasons.

- e. **Schedule A/B Part 11 – All Other Assets.**

***Other Contingent and Unliquidated Claims or Causes of Action of Every Nature, including Counterclaims of the Debtor and Rights to Setoff Claims.*** In the ordinary course of their businesses, the Debtors may have accrued, or may subsequently accrue, certain rights to counterclaims, crossclaims, setoffs, or refunds with their customers and suppliers. Additionally, certain of the Debtors may be party to pending litigation in which the Debtors have asserted, or may assert, claims as a plaintiff or counterclaims and/or crossclaims as a defendant. Because certain of these claims are unknown to the Debtors and not quantifiable as of the Petition Date, they may not be listed on Schedule A/B, Part 11. Also, as described above, in the ordinary course of their businesses, the Debtors may issue to Dealers certain notices of default in connection with a Dealer's failure to meet its obligations under the contractual relationship between the parties. To the extent the notices are not followed by the commencement of formal litigation, the Debtors' claims arising therefrom are not listed in response to this item, but their estates' rights to retain and pursue such claims are reserved.

***Notes Receivable.*** In the ordinary course of their business, certain Debtors made loans to certain other Debtors, non-Debtor affiliates, and insiders totaling approximately \$287,000,000. The Debtors do not reserve or have an allowance for doubtful accounts in their books and records and none is included in the Schedules. The Debtors make no representations as to the ability to collect this debt.

- f. **Schedule D - Creditors Who Have Claims Secured by Property.** Except as otherwise agreed pursuant to the *Interim Order (A) Authorizing the Use of Cash Collateral, (B) Providing Adequate Protection, (C) Modifying the Automatic Stay, and (D) Scheduling a Final Hearing* [Docket No. 51] (the "Interim DIP Order") or other stipulation or order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance

of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D. Moreover, although the Debtors have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim.

The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable agreements and other related relevant documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. In certain instances, a Debtor may be a co-obligor, co-mortgagor, or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities.

The Debtors have not included on Schedule D parties that may believe their claims are secured through setoff rights or inchoate statutory lien rights.

The loan balances in Schedule D are as of November 10, 2024. To the best of the Debtors' knowledge, no payments have been made to any secured creditor from November 10, 2024, through the Petition Date.

g. **Schedule E/F - Creditors Who Have Unsecured Claims.**

***Part 1 - Creditors with Priority Unsecured Claims.*** Pursuant to the Taxes Order, the Debtors have been granted the authority to pay, in their discretion, certain tax liabilities that accrued prepetition. The Debtors are in the process of reconciling their potential tax liabilities in various jurisdictions and, consequently, such liabilities are indicated as "Unliquidated," and any amounts listed constitute the Debtors' good faith estimates of the amounts of such liabilities. To the extent the Debtors paid any such prepetition taxes in accordance with the Taxes Order, the associated claims are not listed in the Debtors' Schedules.

Furthermore, pursuant to the Wages Order, the Debtors received authority to pay certain prepetition obligations, including to pay employee wages and other employee benefits, in the ordinary course of business.

The listing of a claim on Schedule E/F, Part 1, does not constitute an admission by the Debtors that such claim or any portion thereof is entitled to priority status.

***Part 2 - Creditors with Nonpriority Unsecured Claims.*** The liabilities identified in Schedule E/F, Part 2, are derived from each individual Debtor's books and records. The Debtors made a reasonable attempt to set forth their unsecured obligations, although the actual amount of claims against the Debtors may vary from those liabilities represented on Schedule E/F, Part 2. The listed liabilities may not reflect the correct amount of any unsecured creditor's allowed claims or the correct amount of all unsecured claims.

Schedule E/F, Part 2, contains information regarding threatened or pending litigation involving the Debtors. The amounts for these potential claims are listed as “unknown” and are marked as contingent, unliquidated, and disputed in the Schedules.

Schedule E/F, Part 2, reflects certain prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. In addition, Schedule E/F, Part 2, does not include claims that may arise in connection with the rejection of any executory contracts or unexpired leases

As of the time of filing of the Schedules and Statements, the Debtors may not have received all invoices for payables, expenses, and other liabilities that may have accrued prior to the Petition Date. Accordingly, the information contained in Schedules D and E/F may be incomplete. The Debtors reserve their rights to amend Schedules D and E/F if and as they receive such invoices.

- h. **Schedule G - Executory Contracts and Unexpired Leases.** While reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred.

Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease or that such contract or agreement was in effect on the Petition Date or is valid or enforceable. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. Certain of the leases and contracts listed on Schedule G may contain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth separately on Schedule G. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as supplemental agreements, amendments, and letter agreements, which documents may not be set forth in Schedule G.

Certain of the agreements listed on Schedule G may have expired or terminated pursuant to their terms but are listed on Schedule G in an abundance of caution.

The Debtors reserve all rights to dispute or challenge the characterization of any transaction or any document or instrument related to a creditor’s claim.

In some cases, the same supplier or provider may appear multiple times in an individual Debtor’s Schedule G. Multiple listings, if any, reflect distinct agreements between the applicable Debtor and such supplier or provider. In addition, in some cases, an agreement may appear on Schedule G for multiple debtors, in which event each such Debtor is party to said agreement.

Certain agreements may, by their terms, have been made between one Debtor and a third-party counterparty but performed in the ordinary course by a different Debtor. In such case, the agreement is listed in Schedule G of the Debtor that appears on the face of such agreement. Omission of such agreement from Schedule G of another Debtor does not constitute an admission that such Debtor does not have rights and/or obligations under such agreement or that the Debtor counterparty to such agreement is the Debtor on whose Schedule G such agreement is listed.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission.

**6. Specific Statements Disclosures.**

- a. **Statements, Part 2, Question 6 - Setoffs.** Due to the nature of the Debtors' business, the Debtors and their vendors and other counterparties to business relationships implement setoffs in the ordinary course on a daily basis. Such transactions have not been scheduled.
- b. **Statements, Part 2, Question 4 and Part 13 - Payments, Distributions, or Withdrawals Credited or Given to Insiders.** Distributions by the Debtors to their directors and officers are listed on the attachment to Question 4. Certain of the Debtors' directors and executive officers received distributions net of tax withholdings in the year preceding the Petition Date. The amounts listed under Question 4 reflect the net amounts paid to such directors and executive officers.

Certain insiders have been provided with company credit cards in connection with their responsibilities to the Debtors. Payments on account of charges made using such cards have been compiled and presented on a monthly basis. The Debtors reserve the right to characterize any such payments as constituting benefits provided to the insider incurring the corresponding charges.

Similarly, the Debtors have included certain automobile lease expenses for vehicles utilized by certain insiders.

- c. **Statements, Part 3 – Legal Actions or Assignments.** Certain stakeholders have alleged the Debtors and their management engaged in malfeasance prior to the Petition Date. The Debtors' books and records may not reflect any such alleged liability nor is it reflected in the Statements. There may be additional prepetition actions that are not listed because they were not included in the Debtors' books and records. The Debtors reserve all rights with respect to any such allegations. Certain payments have been made in the ordinary course of business to individuals with no given name.
- d. **Statements, Part 11 – Property the Debtor Holds or Controls that the Debtor Does Not Own.** In the ordinary course of business, the Debtors may be in possession of certain third party inventory, vehicles, or trailers. Typically, these

items are located at a Debtor's place of business incidental to a services or other agreement to which a Debtor may be a party. Consequently, the Debtors do not separately track or collect information regarding each item that may be utilized in the performance of such agreements and, as such, these items are not listed here.

- e. **Statements, Part 13 – Details About the Debtor's Business or Connections to Any Business.** Certain Debtors stated on their most recent tax return that they were filing as members of a consolidated group for tax purposes, and all tax attributes, including net operating loss, are allocated to Kal Freight Inc. The Debtors are currently assessing this election.

### **Right to Amend and/or Supplement**

The Debtors reserve the right to amend and/or supplement the Schedules and Statements as may be necessary or appropriate.

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on Schedule G: Executory Contracts and Unexpired Leases (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.
